Dear Mr. Consul:

We are great honored to contact you for the first time.

DIFA - the member of the ICSD World Sports Federation for the Deaf.

(Full name: Deaf International Football Association)

The global headquarters of the International Football Federation of the Deaf (DIFA) is located (DIFA, Legal address: Moscow, 107076, Stromynka d.21, building 2, room 7).

The association was officially established on June 4th 2010 in Moscow of Russia, and is officially recognized as the legal association representing the promotion of football for the deaf worldwide.

The association is committed to the promotion and development of deaf football and FUTSAL indoor football worldwide.

In 2015, DIFA officially became a member of ICSD.

And has a working relationship with FIFA, FIFA's governing body of the world.

DIFA has headquarters in major cities in major countries around the world currently

This year, although the world is still faced with obstacles to the promotion of sports events due to the spread of the epidemic, we have not put aside our efforts to promote sports and support public welfare in the deaf world, just last month we completed a joint venture with a football club for deaf athletes in Guangdong Province of China. DIFA officially established the Deaf Football Club in China with their support, and the deaf Football Cultural Exhibition and reception center headquarters will be set up in Shanghai.

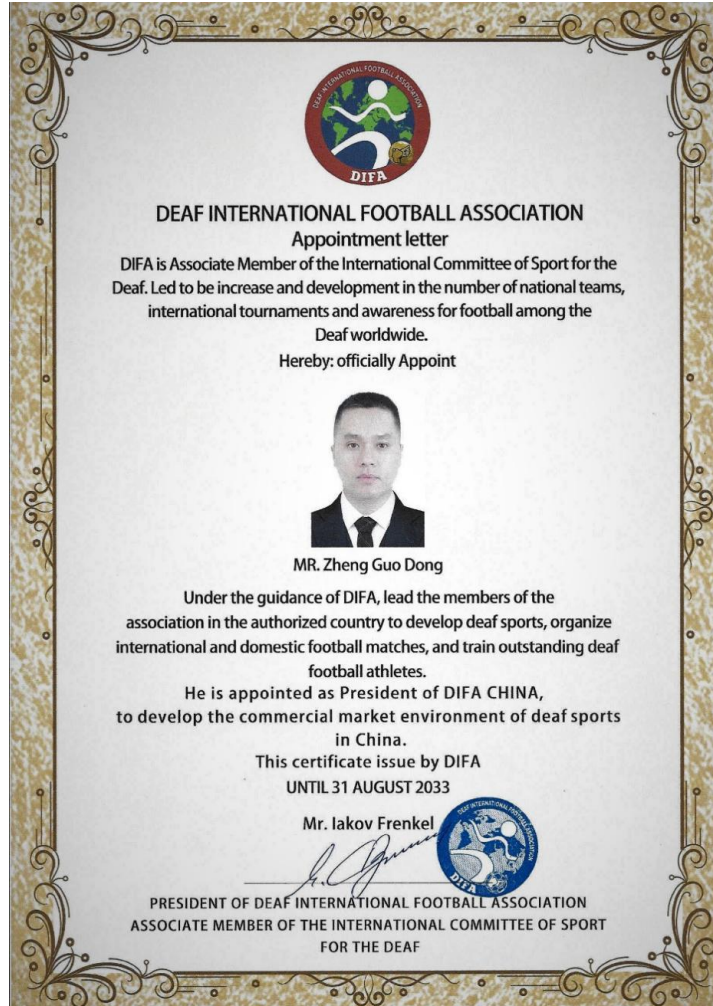

Deaf International Football Association

I would like to express to you that in order to better exchange the sports culture between China and Russia with the deaf football and promote the win-win cooperation between the deaf sports economy and business between the two countries with the sports culture as the media platform, I hope to get the support of your consul and the Ministry of Commerce and The Ministry of Culture of the consulate. For the football delegation to attend the deaf sports games in China, or recommended the feasibility of the sponsor enterprise recommendation, for the Chinese football team DIFA visit Russia to participate in the matches, cultural exchange activities and other team travel visa supports.
